

The West Africa Network for Peacebuilding Nigeria on behalf of its over 300 member organisations spread across the six geo political zone wishes to express deepest concern and dismay at the recent unprovoked attack on the people of Dogo Na Hauwa Community of Jos South Local Government Area, Plateau State. An attack reported to have been perpetuated in the early hours of Sunday 7th of March 2010 by suspected hoodlums. This unfortunate incident recorded a reported cumulative death of over 300 women and children making it the highest occurrence of gender related death at a single incident in the history of violent conflicts with ethno-religious undertones in northern Nigeria.
