

Vision, Mission & Goal

Written by WANEP

Vision:

To create a sustainable culture of non-violence, justice, peace and social reconciliation in Ghanaian communities.

Mission:

To contribute in a sustainable way to the establishment of a lasting peace in the country by building the capacity of network members to help communities prevent, resolve and transform conflicts through efficient gathering, processing and use of conflict data for peacebuilding.

Goal:

To enhance the capacity of member-organizations of the Network for effective and collaborative peacebuilding in their respective areas of operation.
