

## Organizational Structure

Written by WANEP

---

The Annual General Meeting (AGM) is the supreme authority of the national network. The AGM is organised every two years bringing together member organisations.

The AGM is responsible for the election of the members of the Board of the network. The National Board decides on operational policies, oversee the implementation of the decisions of the AGM and supervise the running of the activities of the National Secretariat which is headed by the National Coordinator.

Given the expansion and growth in programmes and projects across the entire country the National Network has established focal points in each of the five regions to facilitate the implementation, monitoring and evaluation as well as to provide the necessary space for inclusive and participatory peace processes.
